WOOD PROJECT

It all starts with
a vision,
but we make it
reality

ABOUT US

WE BELIEVE THAT OUR CLIENT'S SUCCESS IS OUR SUCCESS.

WoodProject was established in 2013 and since then it became one of the leading companies in the field of office furniture manufacture in Egypt.

We specialize in furnishing commercial and administrative buildings to meet the interior design needs of our clients and give them the perfect look of the work environment they seek.

Our professional teams of talented engineers, marketers & sales executives work closely with our clients to identify and cater to their needs and requirements.

For the past decade we have always been aspiring to evolve, stay updated with today's fast-paced life and take office furniture design to the next level to meet the expectations of our clients and create the tranquil work environment they need to be productive and successful.

We go the extra mile in terms of exceptional quality, work ethics and design novelty to achieve that mutual goal.

WE ARE COMMITTED TO STRIVING TO ACHIEVE EXCELLENCE, INNOVATION, AND PERFORMANCE IN A SUSTAINABLE MANNER.

OUR VISION

To be our clients' number one choice when it comes to office furniture and provide them with the highest standards of quality and manufacturing flexibility.

OUR MISSION

To become a reliable long-term business partner for our clients through providing them with outstanding performance and quality office furniture that matches their vision & To become one of the top companies

EXECUTIVE DESKS

NEW YORK

WP-EX-001

WOOD PROJECT
OFFICE FURNUTRE

New York executive colored desk by **WoodProject** L shape: the importance of managing the environment that surrounds your work, the awareness of having all you need around you, to give the right space to your ambitions.Comfort and rationale, nothing is by chance. In **WoodProject** you will have all you need.And no more than you need.

Luxury desks, enriched by the best quality materials. Geometric forms essential expressions of a minimalist but stylish design. Fixed shelves, overlapping corners, the **New York** office plays on the concept of prestige revealed by lines and perspectives of strong visual impact.

The extreme linear quality of the **New York** office gives value to the concept of space and places each element in perfect harmony so that two basic rules for your success can be observed, function and prestige. You will discover that sometimes it takes very little to create the right respect. In its element in larger spaces, **New York** gives the most hectic moments of your work the same importance. Meetings, opportunities for sharing and participation can be expressed in an environment which knows how to conduct them with the professionalism and seriousness they deserve.

The collection is characterized by:

- Paneled structure with Titanium-effect brushed aluminum edges
- Combined version with extension and integrated drawers
- Wood tops with integrated top access
- Wooden shelves with integrated top access
- 3 finishes of wooden tops
- 3 colors of back lacquered glass tops
- chests of drawers and service furniture

ISTANBUL

WP-CC-002

Chair crafted with a sturdy wooden frame that provides stability and durability. The wooden frame is complemented by polished metal accents, adding a touch of elegance to the chair's overall design. The black upholstery gives the chair a sleek and professional appearance, making it suitable for various office environments.

SYDNEY

WE ARE A UNITED TEAM

WOOD PROJECT
OFFICE FURNUTRE

PEOPLE IS THE MAIN RESOURCE OF OUR SUCCESS AND WE ARE CHARACTERIZED BY THE GREAT TEAM SPIRIT.

The voice of our employees is important and the birth of a new product or the development of a project comes from the collaboration of several people with different skills. We are proud that more than 70% of people have been here for more than 10 years, WoodProject has grown up with them and thanks to them.
